

The Driving Range

at Bird Hills Golf Centre

Your questions answered:

Further to the recent removal of restrictions the Driving Range will be operating under the following guidelines:

Arrival

- The one way system has been removed – you can enter and exit from either entrance on the range
- Please remain respectful of social distancing as much as possible
- Toilet facilities are available at the clubhouse end and regular cleaning will be undertaken during the course of the day.
- Please continue to wash your hands as much as possible – there are also several hand sanitiser stations available

Member and Visitors

- Tokens are available to purchase from the main Clubhouse and Starter Hut
- Pre booking not required
- The range is now fully a walk on service

Practice Putting Area

The practice putting green is available without restriction

Clubhouse

With the lifting of restrictions we are pleased to confirm that all guests of the Golf Club can now move freely around the Clubhouse Area and masks are no longer required by guests or staff. Please be respectful of everyone's personal choice and continue with social distancing where possible, sanitiser will remain in place around the clubhouse, course and driving range. Locker rooms remain closed until further notice.

Health & Well Being

Please do not play golf or come to the Golf Centre if you are experiencing any symptoms of COVID-19. The administering of first aid provision has been updated in light of the virus so we are limited in how much we can assist you in the event of accident/illness. If you feel ill or have any health conditions which means you may require any assistance on the golf course or range we ask that you **do not visit** at this time. We understand this is hard, but it would put an unfair burden on the staff that would need to help you.

All of our policies are being implemented to protect both golfers and staff. Anyone not complying with these will be asked to leave the Golf Centre, no refunds will be issued and membership could be suspended.

Thank you for your continuing support.
The Bird Hills Team
